Peer review poses many challenges for journals. A downside of high rejection rates and sometimes delayed responses in publication decision by journals is a long time period between original submission of a manuscript and its ultimate acceptance and publication. One way of accelerating the process
Birth Order and Political Behavior: Clearing the ...

Birth order has been implicated in a wide variety of human behaviors. One aspect of this is the contention that those who are first born differ in important respects politically from later born people. Actual findings from empirical research are surveyed to see the extent to which birth order
