AROUND THE WORLD IN 80 DAYS NOVEL A novel
is a fictional piece of prose usually written in a narrative
style. Novels tell stories, which are typically defined as a
series of events described in a sequence. There have been
stories and tales for thousands of years, but novels must
combine a few unique characteristics in order to be defined
as such. First, a novel is written down, rather than

When Jules Verne wrote the story "Around the World in Eighty Days" in 1872, he predicted that one day man could accomplish the task in eighty hours, but which most considered folly to do in eighty days in current times, that is except for people like Englishman Phileas Fogg, a regimented man who believed all it would take is exacting work, the skills he possesses. He just has to make sure a
