Chris Mars is a self-taught artist. Growing up in a family marked by mental illness, much of Mars's work has served as an exploration of the issues surrounding the diagnosis, treatment, mistreatment and societal stigma associated with Schizophrenia, for which his eldest brother Joe was institutionalized when Chris was five years old. At the state run mental hospital in which Joe was confined.

Chris Mars: I think in all forms art play a big role writing, painting, film, music all art forms. Whether it speaks directly or indirectly to the ills of society or on any other subject, art communicates and offers all these perspectives from a personal, honest and individual point of view that ultimately can widen and inspire other hearts and minds. I can't imagine a world without art.
