Why, it was Constant Guard by Xfinity! At first, I had no problem installing the program after all, it seemed to be okay, and it included Norton within it. However, I was quickly cautioned against the program, and after doing some research, I found all sorts of opinions about it, mostly negative.

**I Advise against installing Comcast's Constant Guard ...**

I actually just installed Constant Guard about a week ago because my Norton had expired and Comcast said I could get Norton free after installing Constant Guard. I have had nothing but problems ever since. My internet explorer freezes constantly and I have to keep restarting my computer. Besides that it just runs very slow. I have now uninstalled the Constant Guard but kept the Norton so I **Constant Guard ?? - Comcast XFINITY | DSLReports Forums**
