[The Law and Economics of Creditor Protection - A ...](#)
This book presents important contributions to the current debate on creditor protection in European company law, based on a symposium held in Munich in December 2005. Contributors include scholars who are currently working on reform projects in various Member States and leading experts in company law, insolvency law, accounting law, and economics.

[The Law and Economics of Creditor Protection - A ...](#)
Reform of the European rules on creditor protection in company law is imminent. Academic work on both sides of the Atlantic shows a tendency that traditional mandatory rules should give way to individual solutions which are freely negotiated between creditors and corporate debtors.
