THE WORLD AND THE WEST 2. The conventional history of European empire building not only lumps dissimilar experiences under the rubric of colonialism, but it often, and too readily, accepts convenient fictions, concocted by long-dead publicists, historians, and government officials, in place of reality. Historians in recent decades have made great progress in correcting this European bias.

Story of the World Volume 3 Lesson Plans These plans look a bit different than the ones I created for SOTW 1 and SOTW 2. This is because I have become a bit freer with my plans. I now prefer to have weekly goals instead of daily ones planned out for the year and this is reflected in how I laid out these plans. Also I have not scheduled copywork as I will have my daughter writing all her
